

Activity 2

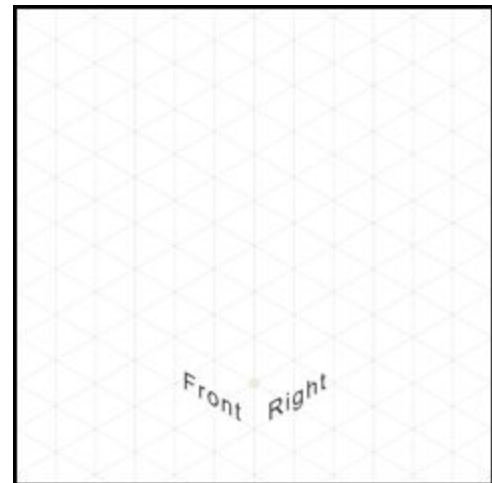

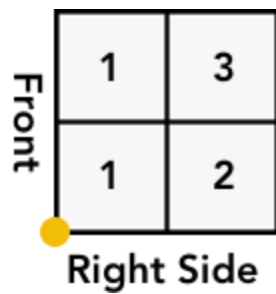

Lesson 2: Iso Cubes

Sketching on paper is a valuable skill for creativity and teamwork.

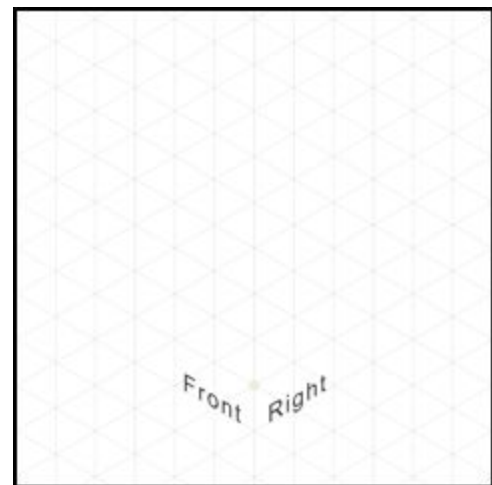

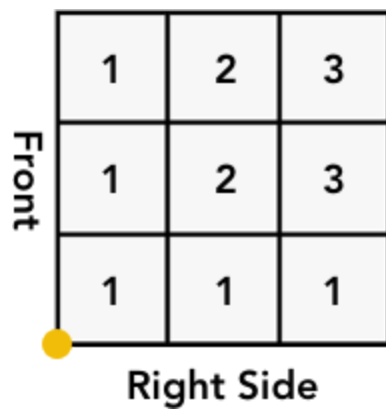

Part 1: Sketching Iso Cubes Using a Grid

Sketch an Iso Cube based off of the given Top View Plan.

A) Top View Plan

B) Top View Plan

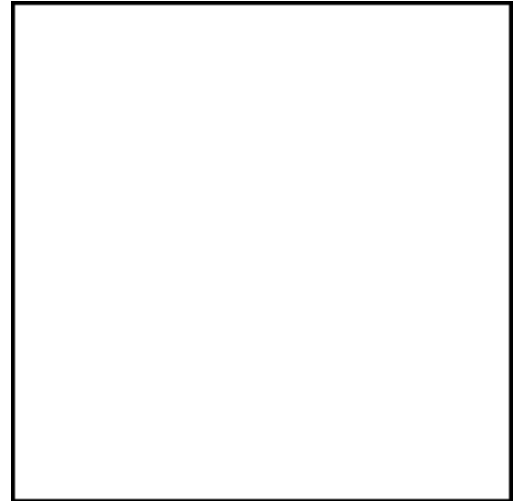

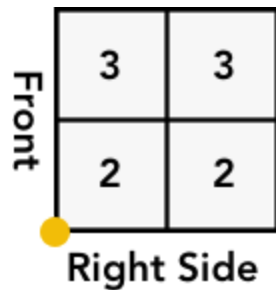

Part 2: Sketching Iso Cubes Without a Grid

Don't worry about your lines being perfect.

Sketch an Iso Cube based off of the given Top View Plan.

Once your sketch is done, draw over the lines with pressure to make the lines bold. It shows your confidence in your drawing!

A) Top View Plan

B) Top View Plan
